Hey Blair,

See the email below. With regard to the furniture we'll need 6 Folding Tables and 12 Folding Chairs. They have in stock the Red, Green and Aluminum which take 3 weeks to ship. The tables are \$140 per unit and the chairs are \$60 per unit. The cost comes out to \$1,560. (\$840 / 6 tables + \$720 / 12 chairs = \$1,560).

Here's what needs to happen for us to get this parklet up and running:

- 1) Remove the counter top
- 2) Install new tiles / pedestals
- 3) Install tables and chairs.

Let me know how your conversation with Eric goes. I'll try to have Johnny come out the same day Eric's crews go out so he can inspect the site and assess what he needs to install.

Thanks,

Hi all,

Great meeting with you all this morning. I left a message with pedestal/pavers vendor, Johnny Knight (Elevated Deck Systems) to give him an update on our progress. We spoke in early October about the scope of work and he was willing to donate time/materials. Please allow me to make contact with him and then connect him with the team.

With regard to the furniture we'll need 6 Folding Tables and 12 Folding Chairs. They have in stock the Red, Green and Aluminum. The tables are \$140 per unit and the chairs are \$60 per unit.

There's one more piece that we have to acquire that was not mentioned in our meeting this morning. That is a steel ledger to be placed at the north edge of the parklet. Robert- I'm contacting Daveed Kapoor, the architect about the dimensions for that piece.

Below is a preliminary materials list. Robert you and can fill in the blanks as we move along.
